

RIBERA DEL DUERO  
DENOMINACION DE ORIGEN

# MANVIER

Tinto Joven

MANVIER, our young wine, has been made with an almost carbonic maceration, with mild sulphites and through a production process as traditional as possible: with natural fermentations and without accelerators, nor stabilizers. It is a wine that was born with the 2016 vintage and part of our own vineyards.

It is a wine in which we want to mark the youth of the new generations to come.

Variety: 100% Tempranillo.  
Limited Editions  
Alcohol Content: 13.5% ABV

Color: Intense cherry red color with violet edges.

Aroma: Intense with an evident varietal vocation on the nose. Primary aromas of fresh red fruit, spices and liquorice. Notes of fermentation strongly appear.

Palate: Fresh, cheerful and fruity on the palate. The tannin is lively, but ripe enough to give a kind and mellow sensation on the palate. Balanced acidity and persistent on the palate.
